

PREPARATION OF FINANCIAL APPLICATIONS

ExMO has helped more than 90 companies obtain government grants to develop new export markets.

Our Offer :

Presentation (and explanation) of the appropriate form (s) and eligibility criteria at a preliminary meeting with your company

Collection of information by ExMO in order to draft a first version of the form

Finalization of the form and submission of the online application with your company

- ExMO analyzes your project and reviews your documents to make your application more complete.
- Several programs are available: CanExport, PEX and SEB

Leading you to international success
